

# SAFE & SECURE

written by Dan Parks

Lord, there's never been a friend like You  
There's nothing You can't see me through  
I'm safe and secure 'cause Your love will stand the test of time

Lord, there's never been a friend like You  
There's nothing You can't see me through  
I'm safe and secure 'cause Your love will stand the test of time

And when I feel discouraged, Lord, You always make a way  
You're my Prince of Peace and guiding light  
Lord, I need You every day  
So give me strength and a trusting heart to believe You when You say  
That You will never leave me

Lord, there's never been a friend like You  
There's nothing You can't see me through  
I'm safe and secure 'cause Your love is sure to stand the test of time
